A Certificate of Registry is not a document of Title. It does not necessarily contain notice of all changes of ownership, and in no case does it contain an official record of any mortgages affecting the ship. In case of any change of ownership it is important for the protection of the interest of all parties that the change should be registered according to law. Changes of ownership, address, or otherwise registered particulars should be notified to the Registrar of Maltese Ships at Valletta, Malta. Should the vessel be lost, taken by the enemy, burnt or broken up, or ceasing whether by reason of a transfer to persons not qualified to own a Maltese ship, or for any reason, to be a Maltese ship, notice thereof, together with the Certificate of Registry, if in existence, should immediately be given to the Registrar of Maltese Ships at Valletta, Malta, under the penalties prescribed by law, for default.
